SUMMARY

I am Muhamad Haikal Apriansyah, a 19-year-old Full Stack Web Developer with 2 years of experience in building and maintaining responsive and user-focused websites and web applications. Graduated from SMK ADI SANGGORO BOGOR majoring in Software Engineering, I have solid skills in front-end and back-end development, with a strong focus on clean code, performance, and problem solving. I am passionate about technology and always eager to learn and grow in the field of web development.

SKILLS
